Farms:

Yosake is proud to support local Wilmington sustainable agriculture and feature local farms in our specials and throughout the menu. We order from Federal Point Farm and Shelton

Herb Farm on a weekly basis. Both farms can be found at the Saturday Riverfront Farmer's Market. Please excuse any shortages or product differences due to seasonal availability and weather.

Notes:

Yosake charges a \$6 split plate fee which includes choice of soup or salad.

A gratuity of 20% will be added for parties of 6 or more.

Please allow time for separate checks as they require more time to complete.

Please alert your server of any allergies ahead of time so we may do our best to accommodate your needs. Gluten Free Tamari is also available if needed.

Due to the unfortunate Gulf oil spill we have had to adjust our seafood prices to maintain the same standards of quality. Sorry for the inconvenience.

Thank you for dining at YoSake!
